The Context- Keeping NSS's goals in view the institute started NSS unit from the session 2017-18.

The Practice- NSS volunteers work in villages, and in the campus for developing social sense and service. The practice continued in the institution too with a unit of 100 students.

Evidence of Success- The unit succeeded in achieving its goal. During special camp health survey, Nasha Mukti Campaign and a number of significant social issues were addressed. Evidences have been provided in the annexure no. 3 i A.

Problems encountered and Resources required- Being Girls College it was difficult to convince parents to allow girls for night stay at the selected village. It has been the major problem encountered.

Goal- N.C.C. aims to enable the efficient achievements of a nationally consistent and minimum necessary building design. It aims at developing character, comradeship, discipline, a secular outlook and selfless service amongst young students.

The Context- Keeping N.C.C.'s goals in view the institute started N.C.C. unit from the session 2016-17.

The Practice- N.C.C. unit of the college provides three years of rigorous training. Fifty seats have been allotted for every year. It means 150 students are trained simultaneously. Apart from the girls of the institution, some other girls from the institutions where N.C.C. is not offered get training here. The selection of N.C.C. cadets is fair that is done through an all round physical and mental test. Selected students started having training from August 2016. The training included military training, arms handling, social issues etc.

Evidence of Success- Since the start of the unit students showed a great interest in N.C.C. Therefore, all the seats of the unit got filled. Besides, N.C.C. cadets got generous praise from the guests on different occasions. The cadets successfully got trained in controlling traffic and spreading cashless and e-payment awareness etc. On 8th Jan 2017 CRPF Commander received guard of honour. Besides, a number of other achievements were credited to the unit.

Problems encountered and Resources required- The full unite of N.C.C. requires full fletched N.C.C. officers. But the institution has only a caretaker officer. Besides, most of the girls belong to rural areas. Therefore, it is very difficult for them to attend regular parades and camps.
